

PRODUCT NAME

CHURCHILL

KEY FEATURES

- Twist Lock Fit System
- Composite Toe Cap & Midsole
- Waterproof & Breathable
- ESD Certified

ITEM DESCRIPTION

The Churchill boot from Apache - your new all-in-one solution for tough jobs. Made with durable stone nubuck leather and featuring the Twist Lock Fit System, you get a precision fit every time. The GTS PU/Rubber outsole is certified for heat and oil resistance to 300°C, ladder grip, resistance to fuel oil, scuff cap resistance and the best slip resistance. Designed for a wide fit, complete with a composite toe cap and midsole protection. Inside, the core comfort footbed ensures all-day cushioning, and the boot is both waterproof and breathable with recycled linings. Plus, it meets ESD standards and has a padded tongue and collar for extra comfort. This boot works as hard as you do.
